## WHAT IS THE MITCHELL PARENT ADVISORY COUNCIL (PAC)?

The PAC is the voice of parents for our school and we are here to support our children's educational experience. We discuss matters that affect our school, and also host fun events, fundraisers and other activities throughout the year! We want to encourage you to participate in building and growing the school community.

September 2023

Hello Firebird Families,

Welcome and welcome back to Mitchell Elementary for the 2023-2024 school year!

To strengthen community and camaraderie at Mitchell, we encourage all parents and guardians to get involved, however you can, with Mitchell's Parent Advisory Council (PAC).

All parents and guardians are considered to be members of PAC. Our goal as members of the Mitchell Elementary School PAC is, to the best of our ability, advocate for our students and impact every student and their family in a positive way.

Some of the ways that the Mitchell PAC strives to help are:

- Subsidizing school expenses such as field trips and events;
- Organizing weekly Hot Lunch/Treats through MunchaLunch;
- Providing each Mitchell student a free healthy snack on our annual June Sports Day;
- Providing funds for supplies/equipment as needed, in collaboration with school administration;
- Provide a scholarship for a former Mitchell school student graduating from Cambie and McRoberts Secondary Schools;
- Providing funds to honour the Grade 7 graduating class at Mitchell.

The PAC meets monthly to discuss school matters, find ways to raise funds and to help staff plan special activities. Doors are always open for parents and guardians to attend and participate in these meetings.

If you are interested in participating or volunteering with PAC, or if you'd like more information on PAC's role at Mitchell, please email [MitchellElementaryPAC@outlook.com](mailto:MitchellElementaryPAC@outlook.com).
