Dear Firebird Families,

*Have some old coats that your children have grown out of? Maybe some gloves or warm hats you don't use? Great!*

The Student Leadership Team will be hosting a Clothing Drive at Mitchell during the first two weeks of December. This clothing drive is called “*Warm Hearts, Heads and Hands*”. We will be collecting **clean, gently used:**

- Coats
- Warm hats
- Gloves

All sizes of clothes will be accepted; both child and adult sizes.

These clothes will help people in need during this winter season. They will be picked up by *Vancouver Donations* and donated to non-profit organizations including MOMS Canada, Ukraine Harmony Foundation and BabyGoRound. You can send your donations to school with your children. We will have a bin waiting at the office.

Thank you for your support of this great cause!

Stay warm,

**The Student Leadership Team**

& Mme. Watson, Ms. Mathers & Mrs. Sunstrum
