LEARNING STARTS AT 8:45

We are reminding families that learning/teaching starts at 8:45.

This means that at 8:45, students should be in class with their teachers. We are asking families to make all efforts possible to arrive to school prior to this time. When students are late to school, not only do they lose out on instructional time, they also disrupt the learning of others upon their arrival.

K REGISTRATION OPENS NOVEMBER 1

Richmond School District 38 is excited to welcome Kindergarten registration applications for children born in 2020, turning 5 in 2025. These children will begin Kindergarten in September 2025. Online registration opens on November 1, 2024.

Please visit our website <https://sd38.bc.ca/student-registration/kindergarten-registration> for more information about our online registration process, required documents, important dates, and FAQs.

We encourage families to complete their registration within the Priority 1 registration window, which spans from November 1, 2024 to January 17, 2024, to maximize their chances of securing a spot at their catchment school. All registration applications received any time during the Priority 1 registration period will receive placement decisions by February 7, 2025.

Videos detailing Kindergarten registration have been made available on our District website, providing new parents with guidance on the registration process, English Language Learner (ELL) assessments, and District Program Options (Early French Immersion and Montessori). These videos are available in English and Mandarin. Please view the videos at <https://sd38.bc.ca/student-registration/kindergarten-registration>.

Finally, there will be a Kindergarten Information Evening for parents of students with disabilities and diverse abilities on Zoom held on November 6th from 6:30 – 7:30pm. A link to the Zoom is available on our District website <https://sd38.bc.ca/student-registration/kindergarten-registration>. There will also be an info session about district program options on November 26 (see flyer below).

Thank you and please share this information with your friends and family who have Kindergarten aged children!
