

MME VAL'S REVIEW - DECEMBER 2024

WORD FROM THE PRINCIPAL

December is always a busy month! We have lots to be thankful for as we reach the end of our first term this school year. Students and staff made big progress with our Math school goal, and we have been engaging in a ton of other amazing learning opportunities, in literacy, Indigenous education, STEAM and social-emotional learning. I am proud to be part of the progressive team of educators at Mitchell! From all of us, best wishes for the winter break and we are looking forward to learning more together in 2025!

MITCHELL TEAM SHINES AT DISTRICT MEETING

On December 11, several students and their teachers had the opportunity to join the District's Senior Management team and Trustees at the monthly Board meeting. Mitchell students prepared Math games to play with trustees during the meeting. The goal was to "bring the classroom to the Board". We had lots of fun sharing our learning, and received excellent feedback from Assistant Superintendents and trustees. A big thank you to Ms. Yip, Mme Dewji and Mme Chang Dar Woon for preparing their students very well for this special event.

+ - × ÷ MATH IN ACTION!

Fundraising is always an engaging and concrete way to engage students in financial literacy! This month, students in division 3 planned and executed a candy cane sale to fundraise for future field trips! Bravo to Ms. Li and her students who raised just over \$900 with this fun project!

DEC. 11 - BOARD MEETING

DOOR DECORATING CONTEST

To celebrate the winter break approaching, the leadership team invited classes to participate in a door decorating contest. Students were invited to view all doors and vote for their favourites. You'll find pictures of the most beautiful doors you'll ever see on the next page!

WINTER CONCERT

Our winter concert was held on December 12. Thank you to the families who joined us for this special event in the afternoon, and to PAC for organizing the hot chocolate sale, raffle and VIP seating! I want to extend a huge thank you to Mr. Wiens and his team for their efforts in organizing the concert and preparing our students so they could deliver amazing performances. More pictures in the next pages!

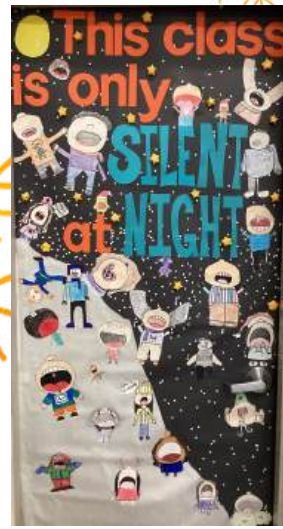

WINTER SING-ALONG

For our last day together before the break, we gathered in the gym (in our pyjamas!) to sing a few songs. We had tons of fun and spirits were high as we sang along to the famous Firebird Band composed of Mr. Wiens, Ms. Yip and Mme Szeto. We also want to send a huge shout out to Mme Rachael who bravely shared her singing talents with us, leading us into "Dreidel, dreidel, dreidel" and doing back vocals on a few more songs!
