Newsletter 20 - April 11, 2025

We have had another busy and fun-filled week at Mitchell. On Thursday, we had an earthquake drill. Our students and staff did well! It is very important to practice so that we know what to do in case of a big emergency. Would your family know what to do in such a situation? Do you have a plan? If not yet, I encourage you to have these important conversations.

If you are available to pick up your child(ren) earlier that day, at around 2PM, please reach out to Mr. Narbett at knarbett@sd38.bc.ca

ACCESS TO MYED FOR LEARNING UPDATES

Please see the reminder below on how to access your child's formal learning update (report card) once they are posted. We strongly recommend that you go online prior to that to make sure you can access the site.

Term 2 Learning updates will be available online only. No paper copies will be sent home. They will be published on April 25, 2025.

At Mitchell Elementary and across the District, we access children's school information directly online. SD38 has initiated the MyEducation BC PARENT PORTAL which will allow parents and/or guardians to access attendance, term grades, report cards and other information on their child(ren). Each parent/guardian have their own separate account.

You would have received an email a while ago from "sysadmin@myeducation.gov.bc.ca" with your login ID and temporary password. Instructions on how to login and navigate the Parent Portal can be found on our school website.

Access the Parent Portal at: <https://www.myeducation.gov.bc.ca/aspen/logon.do>

- o The first login must be done from a workstation, laptop or computer. Do not use an iPad, tablet, or cell phone. After the initial log in you may use any device to access your parent portal account.
 - o Enter the login ID and password provided in the MyEd BC email.
 - o The first time you log on to your account you will be asked to change your password.

** Please print or download the report card each term as they will be removed from MyEd approximately one month after being posted. **
