Vacation/Extended Absence

If you are planning for your child to be away for vacation or extended absence, please inform your classroom teacher and the office. Many teachers are preparing end of year field trips and special activities, so knowing who will and won't be there helps them prepare and plan accordingly.

Are you curious to know more about Mitchell? Please go to our school website, where you'll find updates on our school goal and more at: mitchell.sd38.bc.ca

E-Bikes and E-Scooters

We have noticed that some parents/guardians and students use e-bikes and e-scooters to get to school. While these are great eco-friendly vehicles they have to be used in a safe way, especially around pedestrian.

Please note that e-bikes and e-scooters are not allowed on sidewalks. We are asking you to dismount and walk your bikes and scooters prior to entering the sidewalk. This is for everyone's safety.

There are several guidelines to follow when using such vehicles. You will find Richmond's guidelines and policies at:

<https://www.richmond.ca/parks-recreation/parks-trails-cycling/cycling/e-scooter.htm>

Please note that the City can issue a fine to anyone using e-bikes and e-scooters on sidewalks.

You can also find the province's guide to "E-bikes rules of the road" at this website:

<https://www2.gov.bc.ca/gov/content/transportation/driving-and-cycling/cycling/e-bike-rules-of-the-road>.

You will find the province's guide to e-scooters at this website:
<https://www2.gov.bc.ca/gov/content/transportation/transportation-environment/active-transportation/scooter/safety>

Please make note that "a person under 16 cannot ride an electric kick scooter, nor can their parent or guardian knowingly permit it." Therefore, we cannot allow students to use e-scooters on school property.

We thank you for your cooperation and understanding.
