

## BUILDING CONFIDENCE THROUGH NUMERACY

This school year, Mitchell has been working hard at to build student and staff confidence in numeracy. We are very proud of the progress we have made toward this goal and we are looking forward to continuing the hard work next year. A big thank you to Mme Dewji, Mme Chang Dar Woon, Ms. Yip and Ms. Fedoruk for their leadership in this adventure this year! Also a big thank you to Ms. Janice Novakowski, our teacher-consultant and numeracy mentor, for supporting our endeavours all year.

For more information about evidence of learning regarding our school goal, we encourage you to read Mme Val's latest School Story post on our website at:

## SPORTS DAY

On June 5<sup>th</sup>, all students participated in Sports Day! Decked out in their team's colours, they cheered and gave it their all to compete in various games created and led by our grade 6 and 7 student volunteers. Thank you to Mme Billinger and Ms. Kullman for organizing the event, and to PAC for providing snacks and a pizza lunch for the whole school! We'd also like to thank the families who joined us for the day: your presence made the day even more fun! You'll find pictures of the day on the next pages.

# YEAR-END CONCERT

On June 12, students from divisions 5 to 17 participated in our year-end concert. They sang and played instruments to showcase the learning they have accomplished in music class this year.

Thank you to Mr. Wiens for bringing the gift of musical education to our students! Thank you to the many families who joined us for the event, making it even more special!

# BANDORAMA

On the evening of May 28, students from divisions 1 to 4 were invited to perform in Bandorama, a special musical event at Cambie Secondary School featuring the Cambie Band and bands from surrounding elementary schools. The Firebird Band represented Mitchell very well during that evening. Thank you to Mr. Wiens for his hard work preparing our students!

CONGRATULATIONS, GRADE 7  
FIREBIRDS!
